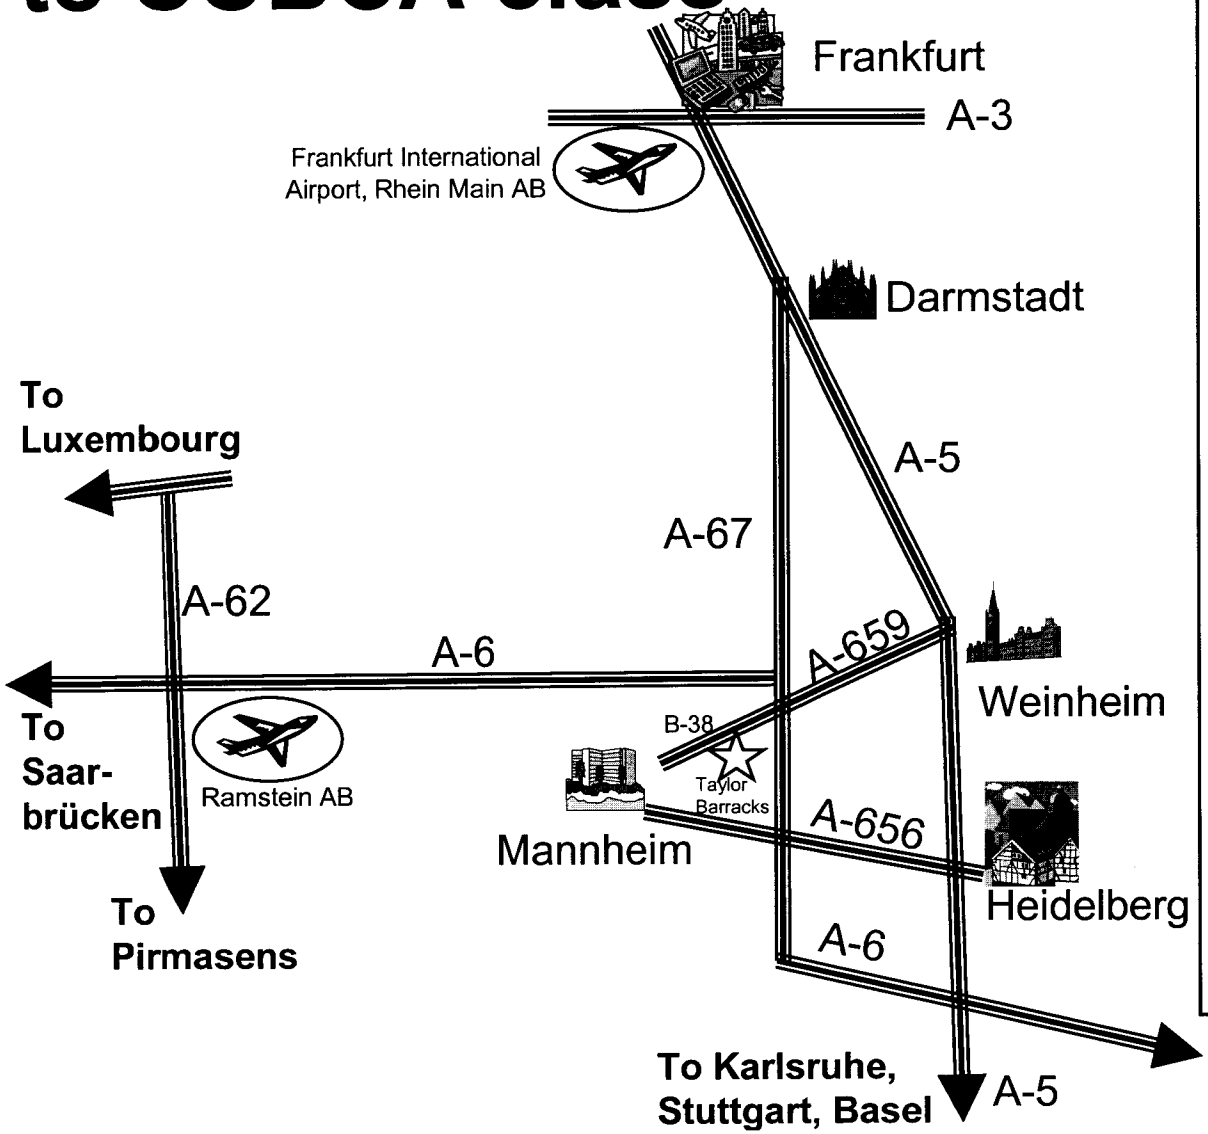
Autobahn connections to SCBCA class



Directions

From Frankfurt International Airport

When leaving the airport, follow the signs for **Basel.** This will put you on Autobahn **A-5,** a four-lane highway headed south. At Darmstadt, the Autobahn splits, the **left** two lanes head toward Mannheim. Get onto one of the left lanes and keep going **straight.** This Autobahn is now called the **A-67**. After a while, the A-67 joins the **A-6** coming from Saarbrücken but keep going **straight**. This means, however, that the next exit is the one for Taylor Barracks and comes up very quickly. The exit splits into two lanes. Stay **right** following the signs for **Mannheim-Käfertal.** You will turn onto highway B-38. Stay in the lane you are in and make the first turn **right.** At the top of this small hill are traffic lights.

To get to your hotel

turn **right** and proceed to the next lights. Turn **right** here and keep going straight until you go under the Autobahn bridge and you will be in Viernheim and can find your hotel as indicated overleaf.

To get to Taylor Barracks

turn **left** and proceed over the bridge and then immediately right. You will go down a slip road onto a 3-lane highway. Stay in the lane you are in and it will take you along the side of Taylor Barracks (on your right). When you reach the entrance to the Walmart, turn right to stay on the road going round Taylor. The entrance to Taylor is then about 400 yards down the road on your right.
